

This morning, January 31, the mother of Fr. Carrón, Mrs. Andrea Perez, journeyed home to heaven. Fr. Carrón wanted to personally inform all his friends in the Movement with the following words:

Dear friends,

I am writing to share with you my mother's passing on toward the Father's house. Today, her lifelong desire to be with Him who has been at the center of her heart is fulfilled. Through the simplicity of her life, she has educated us not to look nowhere else besides Christ. From the time I was a boy, she has accompanied me in my vocation with great passion and discretion, that His design for me come true. In joyful certainty that she is already resting in the Father's arms, I ask for your prayers.

Yours,

Julián
