

SUMMER 2020

1. “Let’s not watch life from the balcony”

As the school year ends and summer begins, we suggest working on pages 1-2 of the [Notes from the GS Raggio](#) via video link with Julián Carrón and Francesco Barberis. We should re-read the text, consider our experience, and let ourselves be challenged by this question: **“What have we personally discovered over this period about why it is worth obeying to what is asked of us every day (at school, at home, by our friends)?”**

Please note it is possible to send questions and contributions to the site <http://eventi.comunioneliberazione.org/gscontributi/>
