5. “Freedom: saying yes to what is good for you”

As the school year ends and summer begins, we suggest working on pages 6-7 of the Notes from the GS Raggio via video link with Julián Carrón and Francesco Barberis. We should re-read the text, consider our experience, and let ourselves be challenged by this question: “What have you discovered in this period that can respond to the question ‘why does God allow suffering to exist, given that He only wants what is good for us?’ What is good for you?”.
